

Georgetown Fire Protection District

Georgetown, California

JOB ANNOUNCEMENT

Firefighter/Paramedic

Apparatus Operator/Paramedic

Engineer/Paramedic

The Georgetown Fire Protection District is in the process of hiring the above listed positions. Please see the attached Job Posting. The position(s) will remain open until filled.

Requirements: CSFM Firefighter 1 or have successfully completed a recognized fire recruit training academy or equivalent courses

California Paramedic Certification

Preferences: CSFM Driver/Operator 1A
CSFM Driver/Operator 1B

Questions: 530-333-4111

The Georgetown Fire Department is a combination department that operates an El Dorado County JPA (Joint Powers Authority) ambulance as well as Type I, Type III, Water Tender, and Specialty Fire Apparatus. This position will be working shifts on our Fire Based Ambulance.

This is an opportunity to work for a small-town rural California fire department in beautiful El Dorado County, CA. Successful applicants will have the ability to have an immediate impact on the organization. You will have input on all aspects of how the organization operates. You will have the ability to take on projects that you are passionate about. We are a combination department with a good working relationship between our volunteer and career personnel. We have an excellent training center with a certified burn tower and multiple rescue props, where we host a variety of training classes, some in partnership with community colleges and some certified by the State Fire Marshal's Office. We also participate in Countywide Automatic Aid system that will provide you with opportunities to respond with a variety of fire agencies in the county on numerous types of incidents in all types of residential and commercial structures, as well as highways.

We encourage anyone interested to contact our recruitment team at recruitment@geofire.org for more information.

REQUIREMENTS

Applicants must be current on the Firefighter Candidate Testing Center (FCTC) Statewide Eligibility List (SEL) on the date of application.

Cal-JAC CPAT (Candidate Physical Agility Test) Card must be current on date of application.

A passing score on the FCTC written test must be valid on date of application.

Please see the attached complete job description:

FIREFIGHTER/Paramedic

Under the direct supervision of the Fire Captain, the Firefighter/EMT will be responsible for the following duties:

ESSENTIAL DUTIES AND RESPONSIBILITIES:

Performs firefighting activities including driving fire apparatus, operating pumps and related equipment, laying hoses, and performing fire suppression, containment, and extinguishment tasks.

Performs emergency aid activities, including driving ambulances, administering first aid, and providing other assistance as required.

Participates in fire drills, and attends classes in firefighting, emergency medical, hazardous materials, and related subjects.

Operates radio and other communication equipment.

Participates in fire prevention programs inspecting buildings, hydrants, and other structures.

Maintains fire equipment, apparatus, and facilities, and performs minor repairs to departmental equipment.

Performs general maintenance work in the upkeep of fire facilities and equipment; cleans and washes walls and floors; cares for grounds around the station; makes minor repairs; washes, hangs, and dries hose; washes, cleans, polishes, maintains, and tests apparatus and equipment.

Assists in developing plans for special assignments such as emergency preparedness, hazardous communications, training programs, firefighting, hazardous materials, and emergency aid activities.

Presents programs to the community on safety, medical, and fire prevention topics.

Performs other related duties as required or assigned.
