

**DEPARTMENT OF FORESTRY AND FIRE PROTECTION**

135 Ridgway Avenue
Santa Rosa, California 95401
(707) 576-2963
Website: www.fire.ca.gov

The California Department of Forestry and Fire Protection (CAL FIRE) is accepting applications for the Fire Apparatus Engineer, Range B (Paramedic) examination and job bulletins.

Information on vacant positions and instructions on how to apply can be viewed by following the links below to view the postings.

Applications must be submitted using one of the acceptable methods listed on the job/exam bulletins. Applications submitted by email, fax, or external websites will not be accepted.

This classification is eligible for Annual Compensation of \$101,521 – \$128,74, in addition to medical benefits (health, dental, vision) and may be eligible for other pay differentials.

To establish eligibility, visit the link below and complete the Fire Apparatus Engineer (FAE) examination.

Exam Bulletin:
